Welcome to the Tri-Community YMCA Summer Camps 2011

Dear YMCA Friend,

Summer is a great time for kids to develop friendships—new and old, to experience new places and revisit favorite fun spots, to learn a new skill or improve on what’s already been learned. Most of all, summer is a great time to have fun! The YMCA provides opportunities for children ages 3-15 to have fun in a safe environment. Our programs are staffed by qualified, caring people who are trained to work with children. We pride ourselves on providing quality summer camp experiences for all our campers. Join us at the YMCA for a summer camp experience that lasts a lifetime!

Sincerely,
Edward G. Keefe

- Staff shall never leave a child unsupervised.
- Staff must use positive techniques of guidance, including redirection, positive reinforcement and encouragement rather than competition, comparison and criticism. Staff will have age-appropriate expectations and set up guidelines and environments that minimize the need for discipline.
- Staff respond to children with respect and consideration and treat all children equally, regardless of sex, race, religion or culture.
- Staff will serve as positive role models for youth by performing duties with respect, loyalty, patience, courtesy, tact and maturity.
- Staff may not be alone with children they meet in YMCA programs outside of the YMCA. This includes babysitting, sleepover and inviting children to your home. Any exceptions require a written explanation before the fact and are subject to administrator approval.
- Staff are not to transport children in their own vehicles. Any exceptions require supervisor approval.
- Staff communicate frequently with parents regarding day-to-day activities and encourage parents to report or question any behavior or event their child may share that appears out of the ordinary.
